PRODUCT FEATURES

FLEXIBLE MOBILITY

The Basic Four is mobile thanks to its four lockable swivel castors, which enable effortless adaptation to different purposes.

INTELLIGENT FOLDING MECHANISM

The intelligent folding mechanism makes it possible to fold up the table top by 90°. This function enables easy handling and offers flexibility in the room layout.

HIGH QUALITY MATERIALS

Made from high-quality steel and recyclable plastic, the table offers a robust and durable construction for professional use.

MULTI PURPOSE USE

Ideal for meetings while standing or sitting. The height-adjustable Basic Four adapts flexibly to requirements and creates a dynamic working environment.
