## PRODUCT FEATURES

### INTELLIGENT AND SPACE-SAVING

Our innovative and maintenance-free folding mechanism allows for effortless adjustment of the table to different space requirements, ensuring efficient use of the available area.

### STACKABLE TO SAVE SPACE

The space-saving stacking facilitates the storage and transport of the folding table system. It is the ideal solution for environments where flexibility and effective utilization are required.

### ELEGANT OPTICS

The stylish chrome table legs gives the Bistro 3 a modern aesthetic, while the table column in black fine structure provides an elegant contrast and appealing look.

### OPTIONAL WITH WHEEL

For additionally mobility, the Bistro 3 can be optionally equipped with a wheel.
