PRODUCT FEATURES

HIGH QUALITY

The combination of high-gloss polished aluminium and black, finely textured powder-coated steel gives the Conference 4 an elegant and sophisticated appearance.

FIRST-CLASS AESTHETICS

The frame features an exclusive design that enriches the space with style and elegance. The careful selection and combination of materials underscores the aesthetic demand of high-end office and conference settings.

VERSATILE APPLICATION POSSIBILITIES

The Conference 4 frame is perfect for office and conference settings. Its flexible design allows it to seamlessly integrate into various room concepts.
