PRODUCT FEATURES

MOBILE AND SPACE-SAVING

The Tip Top de luxe table frame is equipped with four lockable casters, allowing effortless room arrangement. Additionally, it is space-saving and stackable, which greatly facilitates storage and transport.

HIGH-QUALITY AND ELEGANT DESIGN

The frame impresses not only with its functionality but also with its high-quality and elegant design. The combination of high-gloss polished aluminium and black fine texture gives the frame an appealing look. Carefully selected materials ensure a robust construction.

VERSATILE APPLICATION POSSIBILITIES

The Tip Top de luxe table frame is the ideal solution for multi-purpose use in offices, conference rooms and training areas. It can be easily adapted to various requirements, creating flexible workspaces for meetings, seminars, and collaborative projects.

INTELLIGENT FOLDING MECHANISM

Thanks to the intelligent folding mechanism, the frame can be stacked in a space-saving manner. This not only saves time but also allows for easy handling by anyone.
