## PRODUCT FEATURES

### MATERIALS AND CONSTRUCTION

The folding table frame is crafted from high-quality beech wood, ensuring a natural aesthetic as well as a robust construction.

### STABILITY AND FUNCTIONALITY

The meticulous construction ensures not only stability but also high functionality for meetings, training sessions, and collaborative projects.

### FLEXIBILITY IN ROOM DESIGN

Thank to the four lockable swivel casters, the frame can be moved effortlessly, enabling flexible and efficient room design.

### EASY HANDLING

The Tip Top Nature folding table frame is easy to handle and allows quick adjustments to various requirements without compromising on technical quality.
