PRODUCT FEATURES

ADAPTER WITH TILT FUNCTION

The Lounge Table is equipped with an innovative tilting adapter that allows the table top to be tilted at angles of 0°, 17,5° and 35°. The adapter and table top can be also rotated by 180°.

VERSATILE APPLICATION POSSIBILITIES

With its tilting function and rotating table top, the frame is perfect for lounge areas, serving as a convenient surface for relaxed reading or working with electronical devices.

SIMPLE DESIGN

The simple design of the lounge table simply always fits perfectly. It integrates harmoniously into the existing furnishing and gives every room a touch of elegance.

HIGH-QUALITY MATERIALS

High-quality materials are used in the manufacturing process, ensuring durability and stability.

HEIGHT ADJUSTMENT

The frame is height-adjustable, allowing the user to customise it to their own requirements.
